STAFF PRESENT: Manager Gus Lundberg and Clerk Geri Judd

1. Discussion Concerning 2019-2020 Budget:

Councilman Brubaker gave a tour of the new mortuary facility (4:00 to 4:35)
Mayor Smith opened with an Invocation.

Gus said there are some general fund budget implications following the purchase of two fire trucks and the business park property; although both transactions will be paid over time, funds are accrued in the current budget year. A brief discussion followed concerning the budget and the possible need for adjustments.

Gus reported on the status of the business park survey; there is a parcel belonging to MAC Rentals and the fence at Kay Supply must be relocated. Mayor Smith said the road and MAC Rentals property should not be included in the total acreage and cost of the property. Council discussed obtaining an appraisal and possibly negotiating a lower price for the property; the roadway acreage was previously to be gifted to the Town.

Dinner was served at 5:10 pm; no business was discussed during dinner.

ADJOURNMENT: There being no further business Mayor Smith adjourned the meeting 5:35 pm
