Public Hearing Regarding Use of CDBG Funds

The Town of Taylor is expected to receive approximately \$465,620 in FY22 federal CDBG funds from the Arizona Department of Housing Regional Account (RA). CDBG funds must be used to benefit low-income persons and areas, alleviate slum and blight or address urgent need. Based on citizen input as well as local and state planning objectives, several potential projects have been selected to be forwarded to the State of Arizona with a request for funding. A public hearing will be held at the regular Town Council meeting at 7 PM, 1/6/2022, 425 W Paper Mill Rd Taylor, AZ 85939 to discuss the potential projects. It is expected that the Town Council will select the final project(s) at this hearing and adopt an applicable resolution. The potential CDBG projects are named and described as follows:

1. Paving roads within Town limits that qualify through an income survey
2. Improving the sewer system in the Casa Linda neighborhood
3. Complete improvements at the Senior Center or Shepard's Kitchen Food Bank
